

*"Supporting Brainerd Area Athletics"*

# JOIN THE TEAM!

Brainerd Sports Boosters is a non-profit organization dedicated to "Supporting Brainerd Area Athletics". We are community members, former athletes, parents, employees and employers. In other words we are people just like you. We physically and financially support community athletics, Brainerd Public Schools athletics and Central Lakes College athletics. **Visit our website [www.brainerdsportsboosters.org](http://www.brainerdsportsboosters.org)** and join us in supporting athletics in our community.

We provide financial support. The Brainerd Sports Booster organization understands that it takes financial resources to operate youth athletic programs. Through fundraising and member support, we are able to help. We work with and coordinate efforts with other sport specific organizations.

We recognize the efforts of athletes in many ways. Primarily by hosting Thursday luncheons throughout the school year. These fun lunches are another way that we show our support of youth athletics. Meet head coaches and their student guests (captains, seniors, representative players or whole teams) as we get an insight into their season. Also featured each week is the Athlete of the Week. Whether a member or not, you are always welcome at our Thursday lunch meetings.
